Re: January 31 Year End Report (7/1/97 - 12/31/97)
Boucher for Congress
FEC ID#: C00178418

Dear Ms. Tyndle:

I am writing to file an amendment to the Boucher for Congress Committee's January 31, 1998 Year End Report that was recently filed with the Federal Election Commission. The amendment reflects two actions: First, in reviewing the Committee's Report, I discovered that our newly developed computer program failed to list the aggregate year-to-date totals for contributions received from other political committees (such as PACs). Therefore, I am enclosing a corrected listing of the contributions which the Boucher for Congress Committee received from political actions committees (Line 11 (c) pages 1 through 19 inclusive). In addition, the Committee's computer program has been modified to correct this error.

The second action which the amendment reflects is the inclusion of an additional disbursement of \$50 which came to light after the Committee had submitted its Year-End Report. On the day that I filed the Committee's Year End Report, I received the Committee's monthly bank statement which included a canceled check drafted by Congressman Rick Boucher on December 21, 1997 to reimburse an individual for incidental campaign expenses which she had incurred. Until I received the bank statement, I had no knowledge of this check having been written.

Consequently, the Committee's Operating Expenditures (Line #17) should read \$53,639.03 instead of \$53,589.03, its Total Disbursements (Line #22) should read \$66,941.11 instead of \$66,891.11, and its Total Cash on Hand (Line 27), then, should read \$471,630.85 instead of \$471,680.85.
